

CONFIDENTIAL.

May 20th, 1905.

Mr John R. Thompson,
Collector, Saint Andrew, Fla.

My dear Thompson:-

I now control nearly all the property in Harrison, Florapola and a portion of G. B. Thompsons sub division. Some of this is advertised for sale though I have not as yet been able to get the list. However I wish you to have all property in any of these locations bid in for me. I will send you a complete list later if I get it in time. Now please do this and say nothing as to my control at present and I will reimburse you and later may be able to help you to something better

Also if you know of any tax certificates out on any of this property that I can get at a little advance I would like to have you get them transferred to me. I had rather pay for them than to go to law to have them thrown out as can be done in the most of the cases. Now John please give this your attention and do not let any of it miss you. If you know of any other property that will be sold that is of value bid it in for me and I will recompense you fully for so doing.

Truly yours
